Step 1: Choose Your Factory Type

Select the factory type that best matches your use case. You can change this later.

Personal Factory

For individual projects, experiments, and personal tools. Single owner.

Solo · Unlimited SDEs · Private

✓ Change control ✓ Version management ✓ Audit trail
✓ RBAC ✓ Compliance policies ✓ Analytics

Team Factory

Small team building products or running shared projects together.

2-50 · Role-based · Shared templates

✓ Change control ✓ Version management ✓ Audit trail
✓ RBAC ✓ Compliance policies ✓ Analytics

Organization Factory

Business managing multiple products, departments, and compliance.

51-5K · RBAC · Audit trails · Policies

✓ Change control ✓ Version management ✓ Audit trail
✓ RBAC ✓ Compliance policies ✓ Analytics

Enterprise Factory

Large enterprise with complex governance and multi-domain solutions.

5K+ · SSO · Data residency · SLA

✓ Change control ✓ Version management ✓ Audit trail
✓ RBAC ✓ Compliance policies ✓ Analytics
